Sharlene Jackson Shoaf, State Chaplain

"Jesus told them another parable. "The Kingdom of heaven is like this. A man takes a mustard seed and sows it in his field. It is the smallest of all seeds, but when it grows up, it is the biggest of all plants. It becomes a tree, so that birds come and make their nests in its branches." Matthew 13: 31-32

For a very long time, I did not understand what was meant by "You can move a mountain if you have the faith of a mustard seed." Did that mean that it took very little true faith, and you can do anything, or did it mean that we could never attain the true faith, even as small as the smallest seed, to be good enough to please God.

The answer is in the verses above. Our faith must continue to grow throughout our lives. Things do not happen all at once. When you petition God, the answer may not come for some time. It is your faith in His Word and promises that prompts God to answer your plea. If faith can move mountains, think what God can do in your life. In fact, what can you do if He isn't in your life?

Put God first, and all things will straighten out. We live by faith. Just like Job, we sometimes get impatient with God. But when we understand that it is for us to wait on God, in the fullness of his time, all will be made right. Our faith is enough to sustain us.

Father in heaven, you sustain us throughout our lives with Your Word. May our faith continue to grow as a mustard seed. We give thanks to our LORD Jesus who came to take away our sins so that we can come before Your throne, free from sin and glorious in Your sight.

LORD, you know each one of us personally. You know our needs, our weaknesses and our strengths. You have a purpose for each one of us. Help us to know your plan for our lives and give us the wisdom to do your will.

Father God Almighty, be with our country's leaders. Help them to stay the course and to do what is good and right in Your sight. Help them to lead others by example so that the world may see our goodness and not our failings. Be with each of us so that we may also do what is right and lead by example in our lives.

Father, be with our loved ones who are ill, or in times of trouble. Give them strength and comfort where needed. Give healing where needed. These things we ask in the name of our Lord Jesus Christ, Amen.

From the State Regent...

Dear Ohio Daughters,

What a wonderful 114th Continental Congress. Throughout this issue, you will find pictures of the memories we brought home. Opening Night was a very special event with Cokie Roberts talking about the hardships of our founding mothers—the mothers, wives, sisters and daughters of the men, who, as Cokie said, were off in Philadelphia thinking great thoughts. And, oh, by the way, the British were coming! But that was just the beginning.

It was a delight to tell LCDR John Seifert that his mother processed into Constitution Hall on State Regent’s Night to the music of the United States Navy Ceremonial Band. What fun! National Defense night was glorious—definitely a 3 hanky night—to meet the men and women of our military who received much deserved medals of honor, the outstanding veteran, and the Army nurse award.

Saturday was definitely our day. We watched with joy as Katie Haller accepted her American History Essay Contest certificate and pin, then hosted many guests at our Ohio High Tea in the Heartland, followed by Awards Night, where we saw Jan Augenstein’s taped interview with the national winners of the Community Service Award, sponsored by her chapter. Ohio, you looked fabulous! Be sure to read our long list of awards on page 14.

Presley Wagoner, our President General, kept Congress on time—I think a first in the 26 years I have attended—without sacrificing the traditions and ceremony of our organization, new technology and eliminating redundancy. Presley represented us in the grand Fourth of July Parade down Constitution Avenue—shown here in her red hat riding the back of a yellow corvette, and waving the Colors.

Your State Board of Management hardly had time to unpack before traveling to Columbus the next Friday for our State Board of Management meeting. One of our main objectives was to prepare for the fall forum and the NSDAR program year ahead, just as you are doing in your chapters.

Very important information related to the fall forum is on the following two pages. Please make sure your chapter is represented. Also see page 6 for an important list of things to bring with you. The fall forum is for all members. We hope you will join us.

Fondly, Marcia Seifert

Questions? Please email: SFLEIN@aol.com or phone (614) 488-2787
Questions and Answers:

1. Why should I pay such high prices for meals when I could go out for less at home? *Actually our prices are relatively low for such a lovely facility. This price also includes your gratuity. It is important that members support the group by including the meals so that we can continue to use such outstanding facilities and so that you won’t miss any part of the program.*

2. If I came last year, won’t this be the same information? *No. Not only will this information be updated, we have several new workshops and emphases to assist your chapter growth and personal growth. Of course, some will be a refresher course, but NSDAR is constantly revising and updating using current technology and business practices. You will want and need these reminder minutes.*

3. I’m not interested in either DNA or chapter fund raising. *I didn’t think I was either, but I have personally attended both of these programs, which is why we are bringing them to you—because I learned what a great asset they will be to you. I am sure you will not only enjoy them, but learn a great deal. Dr. Woodward is a leader in his field, and fascinating. The Chapter Fund Raising Seminar is not only about raising money, but raising awareness in your community about DAR.*
Bring to fall forum:

♦ NIP (we will punch and put in your notebook for you)
♦ 15 copies of your current chapter yearbook
♦ Mad money for the Chinese auction (all money goes to Wings of Eagles Scholarship Endowment)
♦ Copies of your chapter newsletter to share (in an exhibit)
♦ Your SMILE!

We had very good attendance at the Organizing Secretary General/Chapter Development/Chapter Revitalization Workshop Meeting during Continental Congress. Lots of helpful information was shared and we had fun, too!

I hope you have a great DAR year ahead!

The bus will pick up participants along the Ohio turnpike. Those who are interested will attend the NSDAR Genealogical Research Conference on Saturday and Sunday. We will be able to use the NSDAR library for extended hours on those days.

We will also be visiting the Library of Congress and the National Archives while in DC. Lodging will be at the State Plaza.

On July 5th, 2005, forty-two Ohio Daughters traveled by bus to attend the One Hundred Fourteenth Continental Congress in Washington, D.C. Excitement was high as we traveled through Ohio picking up Daughters at six designated bus stops.

We said goodbye to family members while giving final instructions on how to thaw and bake the many casseroles left behind. We traveled with seasoned Continental Congress delegates, new members looking forward to their first glimpse at Memorial Continental Hall, and even had three generations traveling together.

The week was filled with many informative business sessions, luncheons with outstanding speakers, touring the DAR Museum and hours spent doing research in the DAR library. We even found time to shop the many wonderful booths in the corridors of Constitution Hall and the DAR Store.

The group returned to Ohio on July 10th, 2005, with many new ideas for the coming year. It was a week of making new friends and renewing friendships from across the country.

Plans are underway for the trip to the One Hundred Fifteenth Continental Congress to be held the last week of June, 2006. We will be leaving Ohio on Monday, June 26th, and will return the following Monday, July 3rd, 2006. Once again we will be traveling with Muskingum Coach Line, and I am excited to announce that we will be staying at the JW Marriott Hotel, for easier access to the many committee meetings and social events held at the Marriott. More detailed information will be in later issues of the Ohio DAR News Online or contact LaRae Sorrell, 32 Ridge Drive, Chillicothe, Ohio 45601, 740.773.3864, granmarae@msn.com.

BICENTENNIAL REVISITED

As part of the City of Canton's Bicentennial Year, Mayor Janet Weir Creighton (left) accepted a Bicentennial plaque from the Canton Chapter, presented by Regent Audrey Morrison at the Chapter's annual Flag Day luncheon on June 11 at the McKinley Museum. The stainless-steel plaque, listing the names of the seventy-five soldiers of the American Revolution who are buried in Stark County, was first presented to the City of Canton in February 1977, as the result of the DAR's research project to observe the Bicentennial of the United States.

Our late member Eileen Knipfer conducted the research to locate the soldiers' graves in 1976. Mayor Stanley Cmich accepted the plaque, which was to be kept on display at the Stark County Historical Society. Somehow, over the years, the plaque was moved to various locations, and was discovered last year in a storage room at the McKinley Museum while Canton Chapter members were conducting research for marking these soldiers' graves.

Mayor Creighton, an enthusiastic member of the Canton Chapter, said she will be happy to keep the plaque on display at City Hall. She had spent that morning planting red, white and blue flowers along downtown streets as part of the City's Bicentennial observance.

At the original presentation in 1977, Regent Betsy Woolslayer presided. Honorary State Regent Mrs. Wallace Heiser gave the dedicatory address. Bicentennial Chairman, DeFrance Thomas, presented the plaque to the City of Canton. Descendants of the soldiers named on the plaque stood during the unveiling.

The Chapter presented the annual Flag Display Award to Leonard Insurance for their attractive display of the American Flag at their building on Mount Pleasant Street in North Canton.

Ohio daughters joined the SAR and C.A.R. to attend the PAL-WOW on July 16th at the Dawes Arboretum in Jackstown, sponsored by the Rufus Putnam Chapter, SAR. Pictured above left to right: Jenny Seeley, Anne Seidel, Nancy Rey, Marilyn Vaglia, Marcia Seifert, and Barbara Griffith.
FORT STEUBEN CHAPTER

The Fort Steuben Chapter joined the Ebenezer Zane Chapter, OHSSAR, to dedicate a Revolutionary War Monument at the Brooke/Hancock Veterans Memorial Park on Saturday, May 21st. This monument is dedicated to the memory and honor of all Ohio Valley residents who fought in the American Revolution. To date, 970 soldiers have been found.

Dedicating the monument was George Livingston, Past President of the Chapter, and Randall Crumpler, current President of the Ebenezer Zane Chapter.

Rev. Jerry A. Kirk, Chaplain, gave the invocation. Carol Skerbetz, Regent of the Fort Steuben Chapter, NSDAR, led the Pledge of Allegiance. Also in attendance were F. Jackson Coles, President, Point Pleasant Chapter, WVSSAR, John H. Sauer, First Vice President, WVSSAR, and Larry R. Perkins, National Trustee, NSSSAR, and past President of the OHSSAR.

CONSTITUTION WEEK
September 17 – 23, 2005

The 218th Anniversary of our Constitution.

Please celebrate and commemorate Constitution Week, September 17-23, 2005, by publicizing in newspapers, public displays, public service announcements and Ringing the Bells! Fly your flag all week and encourage your friends and neighbors to do the same.

The Bell of Freedom ... The Sound of Patriotism is the theme of our President General. Please encourage your members to contact churches, schools, courthouses, city governments and individuals, and ask them to Ring the Bells on September 17 at 4:00 p.m., so that we may hear the Bells Across America. This is our main focus this year.

We encourage chapters to have a special event to celebrate Constitution Week, and if you plan a time other than 4:00 p.m., Ring the Bells then — any time is fine — participation is what is important.

Chapters should start now to plan public displays in libraries, schools, the city hall, storefront or other public areas. Please send photos of your outstanding display to your State Chairman. Certificates will be awarded for the Greatest Number of Displays and also to the Most Outstanding Display by a chapter.

Letters to the Editor and newspaper articles commemorating Constitution Week are very important in getting the information to the Public. Maintain copies of all articles that appear in newspapers, and report them to your State Chairman by way of the Master Questionnaire. You will be asked to report the number of articles, the number of inches of publicity and the number of photographs that were publicized, so take pictures – put them in the newspaper and make that report to your State Chairman. A certificate will be awarded for the most number of inches of newsprint & photos for Constitution Week.

Public Service Announcements are also a good way to Commemorate Constitution Week. A list of psa’s is available on the National Web site for members: http://members.dar.org under the Constitution Week Committee page. Take these psa’s to your local radio station (or television or newspaper) at least a couple of weeks before they are needed. Some radio stations tape DAR members reading these announcements, put patriotic music behind them, and air them periodically during the week of September 17-23.

A list of Constitution Sidelights is also available on the National Web site. These Sidelights can be read at each chapter meeting beginning in September throughout the year.

Special Events may include a luncheon or tea for your chapter or join with other chapters, including the SAR and C.A.R. Be innovative - come up with new ideas to Celebrate the Constitution. Present Certificates of Award to outstanding members in your community at these events. A certificate will be awarded to the chapter for the Most Outstanding Event. Please send photographs to your State Chairman when requested.

Ask your governor, mayor or city officials to sign a Constitution Week Proclamation and publicize this with an article and photo in your local newspaper. Sample proclamations are also on the National web site under the Constitution Week committee. Take the framed proclamation to your meeting or special event, and share it with your members. Remember to send copies of your articles to your State Pressbook Chairman. This is a good time to get extra news coverage for your chapter.

Now is the time to start making your plans:
• Contact your public officials for a Proclamation.
• Start planning your display and finding the perfect location and request the space NOW.

- Contact your community leaders and churches to plan “Bells Across America” celebrations.
- Ask churches to mention Constitution Week in their bulletins and to offer prayers for our country and our service men and women during this special week.
- Order Constitution Week supplies from the Office of the Corresponding Secretary General by mail or online. There are many posters and leaflets available for purchase.

Report your Constitution Week activities on the Master Questionnaire and to your State Chairman when requested. Submit your Display Contest Entry to your State Chairman by her deadline – March 1, 2006.

Most of all – Commemorate & Celebrate this wonderful Constitution of the United States – fly your Flag and exercise your right to vote. Be informed – read the Constitution! We are so very lucky to live in this wonderful country, the United States of America. We should never take that for granted.
